TENDER FOR SUPPLY OF PORTLAND POZZOLANA CEMENT FOR CONCRETE WORKS

Tender Reference No: SISAP/DEMO/CEM-2026/02

Issuing Authority: Municipal Engineering Wing (demonstration document)

1. SCOPE OF SUPPLY

1.1 Supply of ordinary Portland cement and Portland pozzolana cement for use in reinforced concrete and plain concrete works at various sites under the department.

2. TECHNICAL SPECIFICATION

2.1 Cement shall be supplied in bags of 50 kg nominal mass and shall be free from lumps.

2.2 The fineness, soundness, setting time and compressive strength of the cement at 3, 7 and 28 days shall conform to the values specified in the applicable Indian Standard.

2.3 The chemical composition of the cement shall be within the limits specified in the applicable Indian Standard.

3. TESTING AND SAMPLING

3.1 Samples of cement shall be drawn at the point of delivery and tested for physical and chemical properties.

3.2 Test certificates shall accompany each consignment.

4. STORAGE AND HANDLING

4.1 Cement shall be stored in a dry, weatherproof shed on a raised platform and used on a first-in first-out basis.

5. CONCRETE WORKMANSHIP

5.1 Concrete shall be designed for the characteristic compressive strength stated in the structural drawings and shall be placed, compacted and cured in accordance with the applicable code of practice.

5.2 Aggregates shall be clean, hard and graded, and shall conform to the applicable standard.

5.3 Reinforcement steel bars shall conform to the applicable standard for high strength deformed steel bars.

6. SAFETY

6.1 Workers handling cement shall wear appropriate personal protective equipment including eye protectors and leather gloves.
